- 3. Future Prospects**

2014 STRATEGIES

Objective : Enhancing strengths through reform and innovation, facilitating forward-leaping development through transformation and upgrades

Main Themes of the year: 3 Ensuring, 3 Accelerating and 3 Strengthenings

Ensuring

- Ensuring the steady growth on its operating results and quality
- Ensuring Moderate Expansion
- Ensuring reliable financing for sustained development

Accelerating

- Accelerating exploration of merger and acquisition models to make leap-forward breakthroughs
- Accelerating innovation of business models to build differentiated core competitiveness
- Accelerating optimisation of resources allocation to increase resources allocation efficiency

Strengthenings

- Strengthening management of human resources management with the establishment of market-oriented employment mechanisms
- Strengthening comprehensive risk control to ensure sustainable growth
- Strengthening construction of value-creating headquarters to continuously improve control over project companies

2014 OPERATIONAL PLAN

GFA (mm sqm)	2013 Plan	2013 Actual	2014 Plan
PUD*	6.65	7.73	8.31
New Construction Starts	2.67	⁽¹⁾ 3.83	⁽²⁾ 1.71
Completion	1.55	1.61	1.13
Delivery	0.89	0.94	1.04

- Aiming to enhance development and construction capabilities to further shorten the development cycle.
- Continue to adhere its objective of “commencement of construction within half a year and sales in the following year after acquisition of land”
- Engage in enhancing asset turnover and ROE as well as the quality of asset and operation

Notes : *Period-end

(1) New construction starts in 2013 were 3.83mm sqm, surpassed our original plan of 2.67mm sqm, partly due to new starts on some of the new land acquisitions and partly due to new starts brought forward from 2014.

(2) 2014 new starts plan does not take into account of new starts on land acquisitions in 2014 and has not adjusted for possible new starts brought forward from 2015
